Mr. Anthony Governale, Director of Planning & Zoning gave an update on the blighted properties around the city. He stated that currently there were three properties that were being worked on by his department. The addresses were 3107 Roselawn Drive, 522 Aucoin Street, and 119 Arizona Street. There were certified letters sent out to each property owner but only one property owner had accepted their letter. The Mayor asked if anyone was in the audience representing the properties. No property owner was present. Reverend Bias stated that he had spoken with one of the property owners, Mr. Leon Henderson, who was supposed to contact Planning and Zoning. Mr. Paul Landry, City Attorney, stated that the ordinance gave the City Council authority to condemn or demolish properties once all notification steps had been completed. Mr. Tamporello made the motion to place the signs in the yards of the three blighted properties and begin the condemnation process, seconded by Mr. Hymel. The vote thereon was as follows: Yeas: Tamporello, Dufrene, Fontenot and Hymel. Nays: None. Abstentions: Bias. Mayor Grizzaffi stated that the property owners would still have ample time to salvage their properties once the condemnation process had begun.

Mayor Grizzaffi gave the Council a brief update of the status of the Lake End Park Phase II cabin construction. He stated that the cabins were scheduled to be completed on November 7, and there was a rain request of 40 days from the contractor that must be approved by the State. He stated that the floors were complete, sheetrock had been installed and floated, and all furnishings had been ordered for the cabins. Mr. Tamporello asked that the architect look into the liquidated damages from the 7th to the 20th of December. Mayor Grizzaffi stated that the shell road on the parkway side where the black top ended had been a maintenance issue for some time. Mr. Mike Loupe was preparing a bid to have the road blacktopped to the area beyond the newest set of cabins.

Mayor Grizzaffi stated that the utility billing system would soon begin processing payments with credit cards. A double firewall had been installed and payments by credit card were expected to begin around the end of January.

In the matter of the wharf project update, Mayor Grizzaffi stated that all sheet pile driving would be completed by the end of the week.
