

OFFICIAL PROCEEDINGS  
CITY OF MORGAN CITY  
MARCH 25, 2025

The Mayor and City Council of Morgan City, Louisiana, met at 6:00 pm (local time) in regular session, this date, in the City Court Building, Highway 182 East, Morgan City, Louisiana.

There were present: Honorable Lee Dragna, Mayor; and Council Members Ron Bias, Eriq Blanchard, Steve Domangue, Tim Hymel, and Bonnie Leonard.

Absent: None

Also present were Mr. Charlie Solar, Jr., Chief Administrative Officer and Mr. Paul Landry, City Attorney.

The invocation was given by Mr. Michael Loupe.

There was no Positive Image recipient for the month of March.

Mr. Caleb Bryan said that the "Da Cajun Burger Cookoff" was a huge success, and he thanked the City for their help. He requested permission to hold "Da Cajun Taco Cookoff" on June 14, 2025, from 11 AM to 4 PM under the US 90 bridge (copy on file). He said that he already had all vendor spaces full and had eleven teams signed up. He was waiting for approval from the council before going ahead with the event planning. A motion to approve the request to hold "Da Cajun Taco Cookoff" was made by Pastor Bias, seconded by Mrs. Leonard, and voted unanimously in favor.

Mr. Bill Goessl, with the St. Mary Detachment Marine Corps League, requested permission to use the area under the bridge for the annual Bayou BBQ Bash on July 25-26, 2025 (copy on file). He said that 150 teams were competing in this BCA-sanctioned event. A motion to approve the request was made by Mr. Domangue, seconded by Mr. Hymel, and voted unanimously in favor.

Ms. Madalyn Hebert was not at the meeting to present her request.

Mr. Lee Price thanked the city officials for all that was done during the Christmas on the Lake Cajun Style event last year and submitted a request to hold it again on December 23, 2025 (copy on file). He said this year he would like to have permission to put the wood out a little earlier. A motion to approve the request was made by Mrs. Leonard, seconded by Mr. Domangue, and voted unanimously in favor.

Mr. Jessie Boudreaux, Jr., with Mosquito Control, addressed the Council and told them that if any of his services were needed, he was there to help.

Mrs. Deondre Robinson told the Council that she wanted to start a new Mardi Gras krewe called the Krewe of Boss Goddesses. She said as of now there would only be one float. She requested to hold it on February 14, 2026, at 7 PM using the same route as the one used by the Krewe of Adonis. Mayor Dragna said they would have to meet with the Police Chief because police officers would be needed. He suggested that they meet with one of the other krewes, and possibly ride behind them because then there would already be people on the parade route. A motion to allow the Krewe of Boss Goddesses to ride behind another krewe, and end under the bridge, was made by Pastor Bias, seconded by Mr. Blanchard, and voted unanimously in favor.

Mr. Steve Guarisco addressed the Council regarding the house at 1009 Garden Street that was condemned at the February meeting. He said that the notice went to his PO Box, and he had not received it. It was brought to his attention on Friday. He said that it was in the estate's name, and his brother was in control of that. He had been working with Byron Blakeman to fix it up. There was no access to the house because it was boarded up, and there were no broken windows. He planned to replace the roof and repair the front porch area. He said there were no leaks inside of the structure. Mr. Domangue said that the City had been trying to condemn this property for the last two to three years. Compliance Officer Jimmy Knight said that the earliest letter he could find was in 2022. Mrs. Leonard said that she rode by and thought that dirt also needed to be placed around the foundation of the house. She asked if there was a reason that none of the repairs had been done in the last

two years. Mr. Guarisco said that he did not have the money to do the repairs at that time, and he was trying to work out a deal where he would rent storage space to Mr. Blakeman in exchange for the repairs to the house. Mr. Domangue said that the neighbors should not have to look at that eyesore every day. Compliance Officer Melanie Topham said she had been in touch with Mark Guarisco by email regarding the house. City Attorney Paul Landry said that the estate had five days after the condemnation to respond to the letter. Mayor Dragna advised Mr. Guarisco that no action could be taken at the meeting regarding the house since it was not listed on the agenda.

Mrs. Hettie Carries thanked the Mayor and Council for helping with the noise issues around her house. She said it had been quiet and she could once again sleep in peace.

The minutes of the February 25, 2025, and the March 12, 2025, meetings were submitted. There being no corrections, additions, or deletions, a motion to approve the minutes was made by Pastor Bias, seconded by Mr. Domangue, and voted unanimously in favor.

A motion to accept the financial statement was made by Mr. Hymel, seconded by Pastor Bias, and voted unanimously in favor.

The next matter on the agenda was the condemnation and demolition report. Mr. Jimmy Knight said that the property owner of 1009 Railroad Avenue was present at the meeting. Mrs. Ruth Escort asked if the Mayor and Council could extend her setbacks for one year while she got the money together to build a new house on the property. She had just completed one new house, and once the trailer was torn down, under city guidelines, she only had six months to rebuild with the existing setbacks. The city would tear down the property and she would pay for that, but was concerned about not being allowed to rebuild on the property. A motion to condemn the house at 1009 Railroad and give Mrs. Escort one year to keep the current setbacks to rebuild on the property was made by Pastor Bias, seconded by Mrs. Leonard, and voted unanimously in favor.

Mr. Greg Schwab, attorney for Vu Phong Khac, property owner of 1205 Clothilde, addressed the council regarding the condemnation of the property that took place at the February meeting. Mr. Schwab said that his client had purchased the property in December of 2023 and repaired the roof at that time. He said in July, during Hurricane Francine, it damaged the roof again. He said Mr. Vu swears he did not know that someone was living in the building. Assistant Fire Chief Pat Haller said the building was unstable and needed to be condemned. Mr. Vu's uncle, Cong Tran, said his nephew did not speak English and he was there to translate for him. He apologized for the lack of understanding on the part of his nephew and said that if, given a short time, he would complete the repairs. Mrs. Leonard asked why this had been going on for several years. She said waiting three years before doing anything with the building does not show any intention of repairing the building. Pastor Bias said the building was in deplorable condition and agreed with Chief Haller that it was

unstable. It was in close proximity to medical and professional buildings and was an eyesore in addition to being unsafe. Mr. Cong said that financially his nephew was not able to complete the repairs at this time but asked for more time to complete the repairs. Mr. Blanchard said if he had seen any improvements made to the building since it was purchased, he would have considered giving him more time, but nothing had been done. Compliance Officer Jimmy Knight said that the original roof permit was issued on July 12, 2022. He said on January 16, 2025, an extension was given to change the deadline for the repairs to be made to June 17, 2025. He said since that time, there had been a report of someone living in the building. Mr. Blanchard asked if an appeal had been filed on the condemnation within the five day window. City Attorney Paul Landry said that no appeal had been filed. Pastor Bias felt if Mr. Vu was allowed time to repair the building, the council would be opening up a can of worms. His opinion was that the Council stand with their vote. Mayor Dragna asked if the owner could tear the property down himself, and Mr. Knight said that it could be done but that it would have to be arranged with their office. No action was taken on the matter.

The next matter on the agenda was the Veteran's Cooperative Endeavor Agreement; whereupon,

Pastor Bias offered the following Resolution, who moved for its adoption.

RESOLUTION NO. R: 25-15

WHEREAS, La R.S. 29:260-262 provides enabling legislation for LDVA to estimate and recover part of the operations cost of parish Veterans' Services Offices; and
