RE:	Comments related to summary of revenues and expenses compared to budget for the period ended April 30, 2019.	

Attached is a summary that compares our actual revenues and expenses to our operational budget for our major funds subject to budgetary control for the period ending April 30, 2019. The following comments are related thereto:

General and Ancillary Funds: Actual total revenues are now over budget by \$99,500. In General Fund, Sales tax is only over budget by 2,000. Operating expenses are below budget by \$125,500. The net loss, after transfers, of \$290,000 creates a favorable budget variance of \$225,000.

<u>Utility Fund</u>: Actual revenues remain under budget by \$525,900, which is in large part due to electric revenues. Operational expenses are also under budget by \$743,300 which is mainly due to being 537,000 under budget in purchased power costs, resulting in a net income, after transfers, of \$261,000 creating a favorable variance of \$231,000.

Sanitation and Sewer Fund: The operating revenues remain \$27,600 under budget, with total operating expenses also under budget by \$87,900. The net income, after transfers, of \$421,800 leaves another favorable variance of \$60,400.

Respectfully submitted, /s/ Deborah Garber Deborah Garber, Finance Director
