RE:	Comments related to summary of revenues and expenses compared to budget for the period ended August 31, 2019.			

Attached is a summary that compares our actual revenues and expenses to our operational budget for our major funds subject to budgetary control for the period ending August 31, 2019. The following comments are related thereto:

General and Ancillary Funds: Actual total revenues are currently over budget by \$82,400. In General Fund, Sales taxes are now under budget by \$8,700. Operating expenses are over budget by \$218,200. This increase in expenses is due to the playground at Lawrence Park that was not in the original budget. The net loss, after transfers, of \$2,108,000 results in an unfavorable budget variance of \$135,730.

<u>Utility Fund</u>: Actual revenues are increasingly under budget by \$1,901,600, which is solely due to electric revenues. Operational expenses are also under budget by \$1,654,600 which is mainly due to being \$1,375,000 under budget in purchased power costs, resulting in a net income, after transfers, of \$360,600, however, creating an unfavorable variance of \$240,800.

Sanitation and Sewer Fund: The operating revenues are currently 56,200 over budget, with total operating expenses under budget by \$25,900. The net income, after transfers, of \$645,300 leaves our only favorable variance of \$91,300.

Respectfully submitted, /s/ Deborah Garber Deborah Garber
