

OFFICIAL PROCEEDINGS
CITY OF MORGAN CITY
SPECIAL MEETING
JULY 2, 2026

The Mayor and City Council of Morgan City, Louisiana, met at 10:00 AM pm in special session, this date, in the Conference Room at City Hall, 512 First Street, Morgan City, Louisiana.

There were present: Honorable Lee Dragna, Mayor; and Council Members Ron Bias, Steve Domangue, Thomas Hutchinson, Sr., Tim Hymel, and Bonnie Leonard.

Absent: Mayor Lee Dragna

Also present was Mr. Charlie Solar, Jr.

The public notice, posted on the principal front door of the meeting place, was read (copy on file).

Mr. Solar said that a request had come from Chase Pickens for \$32,265.00 to repair and restore six long-term camper sites Lake End Park. This would replace damaged copper wiring, and sand and rock to rebuild sites. There was money in the bank to cover the expenses. A motion to approve the expenditure was made by Mr. Hymel, seconded by Mr. Domangue, and voted unanimously in favor.

Mr. Domangue asked about the floating docks we had purchased a few years ago and the bathrooms at the Lake. Mr. Solar said the bathroom building required more work than was anticipated, but would be completed soon. The floating docks had not been installed yet.

Mr. Hutchinson pointed out that a light was needed on the peninsula at Lake End Parkway to notify boaters. He also felt that some fencing was needed to separate the long-term camper sites from the short-term.
